## RESIDENCY BY INVESTMENT

**Turn Your Investment into Long-Term Qatar Residency** – Securely & Strategically

Qatar’s investor-linked residency options generally fall into two main tiers based on investment level and residency type.

<b>Option 1</b>	<b>Temporary (Renewable) Residency Permit</b> - Min. Investment: QAR ~730,000 in designated real estate
<b>Option 2</b>	<b>Permanent Residency Tier</b> Min. Investment: QAR ~3,650,000 in qualifying real estate
<b>Option 3</b>	<b>Business/Company Investment</b> Min. Investment: QAR 250,000+

Qatar is positioning itself as a global investment and residency hub through liberalised property ownership, investor visas, and economic reforms aligned with the Qatar National Vision 2030.

## ELIGIBLE FAMILY MEMBERS

Main applicant  
Spouse  
Children (dependent)
